EASTERN CHEROKEE

APPLICATIONS OF THE

U.S. COURT OF CLAIMS

1906-1909

Roll 282

Application Nos. 35901-36050

THE NATIONAL ARCHIVES
NATIONAL ARCHIVES AND RECORDS SERVICE
GENERAL SERVICES ADMINISTRATION

WASHINGTON: 1980

INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

My name is Richard W. Hyre, and I live in Frost, Tex. I am 66 years old. ~~Therein~~ I know know Robert Starr, who is the father of Ida V. Cleveland nee Starr. I knew the father of Robert Starr, who was known as Joshua Starr. Joshua Starr died in 1873, in Smith County, Tex. He was about 63 or 64 years old at the time of his death. He came from Ala to Tex. in 1850. He claimed to belong to the Cherokee tribe, and it was the general report that he had Indian blood. I do not know how much Indian blood he claimed to have. The old man Joshua Starr lived between Russ and Smith County, Tex. and some of the factions up in the Territory led by Ross and Downey, came down here and settled. They visited the old man Starr. He was Methodist Preacher. It was in 1851 that these discontented factions came down to Tex. It is my idea that Joshua Starr was connected with the Ross faction.

Dear Sir

Yours of Sept 10th at hand requesting
me to meet Mr. J. Edgar
Taylor at Hillsboro Sept 18th
1908, I am sorry to say
owing to my financial
conditions I will not
be able to meet him
as I am three hundred
miles from Hillsboro I
am now living at

owing to the same I
find it very hard to
make living, as I am
not able to pay my

that Uncle T. J. Cook of

him to meet me later &
also enclosed your letter.
But in the best I can
be owing to the same
since I believe this
will meet with satisfaction I am sure.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1881, do not appear on the Cherokee rolls of those dates.

Through which of your parents do you claim Indian descent? Were you or any of your ancestors ever held as a slave? If so, state whether you or they were owned by white people or Indians.

Give the names of those ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived, and what part, if any, they took in the tribal councils.

Very respectfully,

Special Agent in Charge.

Dear Sir.

I do not know why my
Grand parents, were not
enrolled as members of
the Eastern Cherokee Tribe
in 1835 and 1861. I claim
Indian descent from my
mother. I was born a slave.
My parents were slaves
they were held by whites.
I do not know the names
of any of my ancestors who lived
with the Indians. Or the
of the time I do not know
and I cannot name any.

they lived at that time.
I do not know the location
where my Grand Father
was born. Or the point
my ancestors took in the
Councils of the Tribe.

App. No. 35913

May 29, 1908.

Clarence Murphy,
Riverside, Tenn.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the name of your mother and those of your other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the roll of those rolls of those states.

Do you claim any Indian descent through your mother? If so, give the names of his parents and his brothers and sisters.

Was your mother or any of your ancestors ever held as a slave? If so, state where they were owned by white people or Indians.

Give the names of those ancestors who were mixed with the Indian blood, and the names of the white people with whom each lived with the Indians, and the names of the white people who were mixed with the Indian blood, if any, that were in the tribal councils.

Very respectfully,

Special Agent in Charge.

Given the fact that the total population of the United States in 1900 was 76 million, also the fact that the average life expectancy at birth in 1900 was 47 years, then the total number of people who lived in the United States in 1900 was 1.5 billion.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents or other ancestors through whom you claim Cherokee descent were not living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Give the names of the country and state where your grandparents were living in 1835 and 1851.

Was either of your parents or any of your ancestors ever held as a slave? If so, state whether they were owned by whites or by Indians.

Give the names of those ancestors who ever lived with any Indian tribe, also the name of that tribe, and state the time when each lived with such tribe, naming the family or families. If they then lived and what part, if any, they lived in the United States.

Replying to your letter of May 29th 1908 - beg
to say -

I cannot say why my parents and other ancestors
were not upon the rolls of 1835 or 1850 -

They were born and raised near Rome Ga. (I believe) and I suppose they lived there in 1835
but they lived in Marshall Co. Alabama in 1850

Neither my parents nor any of my ancestors were ever
held as slaves -

All of my parents and Grandparents lived with
and among the Cherokees until the removal of
that tribe West - William Brock - James
Giles - also Hishorrons and Leavys -

I just know what I can recollect of what
was told me by my parents in their life time -

Respectfully

Simon Green

In regard to the enclosed letter which was just handed me by William Keys would say that Keys said to me this morning that he knew nothing at all about his ancestors, except that which was shown in his former affidavit. That his father's name was Kenny, and was said and known ~~xxx~~ by all to be a member of the Eastern Cherokee tribe, that his father and mother dies while he was young, and that this was back in Virginia where they lived and that he could get no proof.

In regard to the payment of any claims which have been file through this office, would ask that if possible that we receive notice when any payment is made to them.

Madam:-

Relative to your application for participation in the Western Cherokee Fund, kindly state why your name does not appear on the Cherokee roll of 1851, and why those of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Were you or either of your parents or any of your ancestors ever held as a slave? If so, state whether you or they were owned by white people or Indians.

Where were your grandparents living in 1835 and 1851?

Give the names of those ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived, and what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

TDR/LJC

I reported in Holston Valley, this country, that her grandmother and grandmother came from Walker Mountain, near the N. C. line, locating on Holston River after they were married. She states that when they made the Indians live here that they wanted her father to go with them, but that he would not go. This party was born in 1851 and has no one now who can tell her any further than these facts.

I believe this claim is bona fide if ever there was one. She doesn't know why they were never married.

App. No. 35945 with
No. 35943

June 1, 1908.

Thos. M. Pack,
Petway, Tenn.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why your name does not appear on the Cherokee roll of 1851 and why those of your parents and other ancestors through whom you claim Cherokee blood and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Were you or either of your parents or any of your ancestors ever held as a slave? If so, state whether you or they were owned by white people or Indians.

Where were your grandparents living in 1835 and 1851?

Give the names of those ancestors who ever lived with any Indian tribe, also the name of the tribe, and state when each lived with such tribe, naming the county and state where they then lived, and what part, if any, they took in the tribal councils.

Do you claim any Indian descent whatever through your father?

Very respectfully,

FBR/LJC

Special Commissioner.

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. JUN 29 1909
No. 35942

JUN 29 1909
Air. Let.

Petway Tenn June 26/08

Assistant to Hon Guim Miller. (Comr)
Nashville

Dear Sir

The bearer of this - Mrs Alice Smith - is my sister who made application for participation in the Cherokee fund as well as myself, and as I have been notified to appear at your office Saturday June 27 for the purpose of testifying relative to my claim, would kindly ask that you permit her to testify in my stead, as it is impossible for me to appear just now on account of severe sickness in my family. Very Respectfully
Minnie Petway

Petway Tenn June 25th 1909
Hon Union Miller

Washington D C

Dear Sir - I am just in receipt of yrs of 10th inst
reporting to the Court of Claims that my application
No. 35942 should be rejected, which was ratified
"except as to so much of same as shall be specially
excepted to on or before the 30th day of Aug 1909."
Would most respectfully state that I am at a
loss to know how to further proceed as I thought
I produced good evidence that my ancestors were
Eastern Cherokees, that my Grt. Grt Grand
Mother was of said Tribe and lived with them
in E. Tennessee and N. Alabama and her
daughter, (my Grt Grand Mother Barthunia
Brown) married a Johnson and moved to
the middle division of Tenn long prior to
1835. Hence my inability to produce the names
you require, and my Father J. M. Pack

was born in 1836 and of course too young
to know as no ancestral record was kept.
But his mother and grand mother
frequently told him she was a descendant
of The Cherokee Indians, which is surely
confirmed by the few remaining old citizens
of this community, by which means I
have always considered myself a descendant
of said tribe, and would most respectfully
ask that you instruct me how to further
proceed that I may be able to establish
a claim I am sanguine is valid

Yours Very Truly
Wintie Petway

I have always been told that I had Cherokee Indian blood. I claim this through my father. I first heard this when I was small. I think my mother told me. I have never received any Indian money from the government and have never tried to get any. I do not think my sister ever received any. I never heard of my father trying to get any Indian money or receiving any. My father is a recognized white man. My father got his Indian blood from his mother, who lived in Davidson County. COURT OF CLAIMS
EASTERN CHEROKEES.

JUN 17 1908

35445

Pelway Tenn June 10th 1908
Hon. Harrison Miller

Washington D.C.

Dear Sir,

Your favor of 1st inst recd
asking why my name and those of my
ancestors do not appear on the Cherokee
roll of 1835 and 1857. I was born in
1836 in Davidson Co Tenn and never
saw but few Cherokees, only those passing
through this part of the country, and
my Gr Mother Barthunia Brown
(from whom I claim Indian descent)
is the only one I personally knew who
told me often that her mother was
a Cherokee and I am impressed

she was a full blood - and that she married a Johnson and left the tribe long prior to 1835 and lived in Decatur Co in the Eastern division of Tenn where she died. and my Gr Mother Barthenia Brown moved to the middle division of Tenn in Davidson Co where she lived in 1857. and was always known as a Cherokee Indian. and there are still living here a few old citizens who would testify to the same. I don't know that any of my ancestors were ever held as slaves. I cannot give names of any ancestors who lived with any Indian tribe as no records.

never kept in those days, and
my Gr Parents lived so remote
from the Tribe cannot tell that they
took any part in the Tribal councils
All the evidence I have is from my
Gr Mother Barthema Brown
and the verdict of this community
to corroborate her statement.

I do not claim any Indian descent
from my Father

Very Respectfully
Thos M. Pack

John W. Byers, being first duly sworn and examined,
deposes and says:

My name is John W. Byers: I was born in Ashe Co., N. C.
1860: I claim my Indian blood through my mother: I make no
claim through my father: he was a white man: my mother was
born about 1829: I think my mother was born in N. C., Watauga
Co.: my mother claimed her Indian blood through both her father
and mother: my grandmother's maiden name was Susan Mayah:
I never saw my grand parents through whom I claim: I have
heard my mother say that my grand parents belonged to the
Cherokee tribe in N. C.: I am not sure about the county, but
I think it was Cherokee: I have been taught by my mother that
my grand parents were full blood Cherokees: neither I nor any
of the ancestors through whom I claim were ever enrolled and
never received any money or land: in 1835 I do not know
where my mother and grand parents through whom I claim were
living: in 1851 my mother and grand parents through whom I
claim lived in Watauga Co., N. C.: I do not know whether my
mother ever lived with the Cherokee tribe or not: none of the
ancestors through whom I claim were ever held as slaves:
I never heard of any Indian names in my family: both I and my
mother were regarded as white people in the community in which
we lived: my mother claimed to be a full blood Cherokee.

John W. Byers.

App. No. 35962

June 1, 1968.

Mrs. Jonnie Tillery,
Bear, Ark.

Madam:-

In reference to application #35962 for minors to participate in the Eastern Cherokee Fund, kindly state why the names of your husband's ancestors through whom these minors claim Cherokee blood and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Was your husband or any of his ancestors ever held as a slave? If so, state whether they were owned by white people or Indians.

Did either of your husband's parents or any of his ancestors ever receive any Old Settler payment? If so, state when and where. Was he or any of the minors enrolled by the Dawes Commission? If so, give the number of their enrollment and indicate on that roll their names appear.

Give the names of those ancestors who ever lived with any Indian tribe, give the name of the tribe, and state when each lived with such tribe, naming the county in that state where they then lived, and what part, if any, they took in the tribal councils.

Very respectfully,

FIR/LJC

June, 22/1908.

U.S. Com, Court of Claims,
Washington, D. C.

Kind Sir, your letter of June 1, 1908,
came safe, but I had to write
to my stepson, as he had
some old records that were
brought from Tenn., and that
delayed my reply in some.

The minor heirs of
application 35962 make their
claim through their father's
grandmother. She was a full-
blood Eastern Cherokee Indian,
was married to Sam. Tillery, Dec.
1844. Her maiden name
was Taylor. They moved from
Knox Co. Tenn., to the Highwasa

7

2.

Purchase about 1820.

Jane Taylor, the Indian ancestor of the minor heirs of app, 35962 was born in 1782.

We do not know where she came from & Knox Co. Tenn.

My stepson has the deed to the land that was bought by her husband ^{Sam. Tillery} and when they moved to the Highwas Purchase, Tenn.

If any of my husband's ancestors ever held as slaves we do not know it; or if we they were my husband's payment we never knew of it.

This is all the information I can give at present.

The Indian blood is, without doubt
in the family, and none of the
family so far as we know have
ever received money or land
from the U.S. Government.

My husband's father always
told his children that his mother,
their grandmother was a half-
breed Cherokee Indian, but
he did not make any attempt
to prove his relationship.

Please advise me further,
if there is another question
for point I can give you
information on. My children are
all grown and they are anxious
to get their claim established so they
can attend better schools, Very Respectfully,

Mrs. Bernice Tillery,
Bear, Ark.

W. S. Com. Court of Claims.
Kind Sir,

~~from~~ more in es, (C. C. C. C.)
This is, I suppose what would
be called circumstantial
evidence, but it is true.

My husband was a young
Cherokee looking man,
people said that he would
take for a Cherokee, anywhere.
He always told them
that he was like the Taylor
boys, my husband's great uncles.

My husband was a
Indian looking man, and
the old gentleman had a sister
that looked like a full blood.

2.
Cherokee Squaw, my husband
has a cousin who is still living
that shows her Indian blood
to a high degree. All of the old
Set are dead, and they
did not keep many records
and a great deal of what
we know has been handed
down from father to son.

We have not written
a history, but if it is necessary
we will do so.

There is no doubt whatever
about the Indian blood, if you
could see the children you would
say so, and the cousin I told of.

Yours sincerely,

I am Respectfully,

deposes and says:

That I am 41 years of age and live in Garland Co., Ark. I have no Indian blood myself but am claiming for my children through my husband, Cawfield F. Tillery. He claimed to be 1/16 Cherokee. He died in 1900 and was about 46 when he died. He was born in Saline Co., Ark. His father claimed Indian descent, Cawfield Tillery. Samuel Tillery was the great grandfather of these children. The grandfather of these children was born in Meigs Co., Tenn. He came to Arkansas (Saline Co) sometime in the forties and died here. Samuel Tillery died in Tenn. Never heard whether either of the Cawfields or Samuel were evr on any roll. Never heard of any other name than Tillery. My husband never lived with the Indians; don't know about his father and grandfather. My husband was recognized as white people with Indian blood. Never heard whether my husband or his parents ever received anything from the government. Don't know whether my husband ever made application to the Dawes Commission. I am a full blooded white woman, and the mother of the children for whom I am ~~an~~ step-mother, was a white woman. I am the mother of Pearl, James and Blanche. My husband was not a member of the tribe.

Sir:

Replying to your letter of December 12, 1909, you are advised that it is impossible for me, at this time, to state when the Eastern Cherokee fund will be distributed.

However, the money cannot be paid out for some time yet, as there have been a large number of exceptions filed to my report, and until these are considered and passed on, and the roll finally approved by the Court no money can be paid.

Very respectfully,

Special Commissioners.

App. No. 35968

June 1, 1908.

Maud Garrett,
1030 Sledge Ave.,
Memphis, Tenn.

Madam:-

Relative to your application for participation in the Western Cherokee Hunt, kindly state why the names of your parents or other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Were you or either of your parents or any of your ancestors ever held as a slave? If so, state whether they were owned by white people or Indians.

Where were your grandparents living in 1835 and 1851?

Give the names of those ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, stating the county and state where they then lived, and what part, if any, they took in the tribal councils.

Very respectfully,

Dear sir:

Application No. 35968...

Your favor of the first to Mrs. Maud Garrett in reference to her Eastern Cherokee claim is received, and we would say that she has turned the letter over to us for answer. In reply we would say that she states:

Her grandparents and ancestors were not enrolled on account of a treaty that was formed--and council-- with the Government and Indians at the dates of 1832 and 1833 and 1851; that is why they were not enrolled at the above dates stated; 1835 and 1851. They disbanded and went into different sections of the country. She states that her grandparents and ancestors were Cherokees.

She states that her grandparents and ancestors lived in Cherokee County and the State of Alabama from 1817 until 1836 or 39, with the Chickasaws and Choctaws called the Chactus race and Southern tribes. From there they went to Georgia and from Georgia they moved to Calhoun County, Mississippi in 1852. The male adults and male friends of her grandmother took part in an Eastern Cherokee council she states in 1833 and 1832.

She, herself, -she states- was never held as a

-2-

slave, and if her ^{grand}parents and ancestors were, she never heard of it as she never knew Indians were held as slaves.

I hope we will have no trouble now in tracing the matter.

Yours truly,
Edgington Edgington

John J. Thompson being first duly sworn, deposes and says:

My name is John J. Thompson. I live at Corley, Ark. I was born in Ga. The Post office is Canton, Ga. I was born in 1877. I claim my relation to the Cherokee tribe of Indians through my mother, whose maiden name was Martha Ann Hunter. She was not married but once. She never had any name but Hunter as I know of. Her mother was a Woodall. I don't know when my mother was born. She died when I was 8 years old, and she was 20 some odd when she died. She was born in Ga. She gets her Indian blood through her mother, I reckon, whose maiden name was Woodall. Jack Woodall was my great grandfather. I don't know of any other name he had. I could not tell you where he lived. I don't know whether he ever lived with the Cherokee tribe of Indians. My grandmother moved west and died in this county, Yell County, Ark. I don't know when she moved here. I don't know whether she ever lived with the Indians. I think I have heard my uncle speak of Martha A. Woodall. I was very small when my grandfather moved out here. About one year old. Part of my ancestors lived in Tenn. but I don't know what County. My grandmother's maiden name was Woodall. I don't know what her Christian name was. Bob Hunter whose postoffice address is Gravely Hill, Ark. knows all about my ancestors.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state say the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1815 and 1832, do not appear on the Cherokee rolls of those dates.

Do you claim any Indian descent through your mother?

Did either of your parents or any of your ancestors ever receive any Old Settler payment? Have you been enrolled by the Dawes Commission? If so, give the number of your enrollment and indicate on what roll your name appears.

Were any of your ancestors ever held as slaves? If so, state the name of the owner, the date of sale or purchase.

Give the names of those ancestors who ever lived with any Indian tribe, give the name of the tribe, and state the time when each lived with said tribe, making the county or state where they then lived and, if not, the time in the Indian country.

Very respectfully,

WJR/LJC

Dear Sir

In answer to your letter concerning the Eastern Cherokee funds, My Father, Solomon Prewitt, through whom I claim my Cherokee Indian Blood from, was living in the year 1835. In a Dutch Townⁱⁿ Mo. on the Meongo. River. I believe the town is now part of Saint Louis. Mo. My Grandmother Jane Prewitt, nee Pate, was a $\frac{1}{4}$ Cherokee Indian, and she said if she was ever Enrolled it was when a child. She married in North Carolina when 15 years old, and moved to Illinois. Her Grandfather Jeremiah Horn was a full Blood Cherokee Indian, and his wife was an Indian Cherokee. I am not sure if she was a full Blood or not. I believe her name was Caroline Horn, nee Ledbetter. If my Mother Rebecca Prewitt nee Garrett, had any Indian Blood she did not

I know it. None of my Ancestors never received any Old Settlers payment. That I know of. I never was enrolled by the Dawes Commission. None were ever Slaves. we are Cherokee Indians and white people.

My Grandmother Jane Prewitt, nee Pate, was married three times her maiden name was Ledbetter. then she married a Pate, then she married William Prewitt she afterward married another man by name of Pate, her cousin. Grandmother left her Parents and Grandparents in North Carolina with the Cherokee Indians about 1823. They all lived there in North Carolina in 1807. I cannot remember if my Great Grandparents Ledbetter, and Great Great Grandparents Jeremiah Horn and Caroline Horn nee Ledbetter, were born in North Carolina or not - and I do not remember the names of the rivers or Counties where they did reside at that time

George R. Prweitt, after being first duly sworn, deposes
and says:

I am 55 years of age; was born in Missouri, Polk County. I claim Cherokee Indian blood through my father's mother. She claimed to be one quarter Cherokee. I have never gotten any Indian money or land. My father never got any Indian money or land. My father was born in Illinois. I saw my father's mother. She was living in Texas when I saw her. She was born in North Carolina. Do not know what part. My grandmother left North Carolina about 1823 or 1824 because she left before my father was born and he was born in 1825. This is the first time I have ever tried for Indian money. I never went before the Dawes Commission. I have heard of my Indian blood ever since I can remember. I have been taught it all my life.

Emily Jane Henderson being first duly sworn, deposes and says:

That I am 58 years of age. I claim my Indian descent through my father; my mother was a full blooded white woman. My husband was a white man. My father died in 1886. He was born in 1823. He was born in Georgia and principally raised there. Don't know what county nor what part of the state. He left Ga. when he was about 19 years of age and lived then about at Nashville, Tenn. He then lived in Hamilton Co., Tenn. To the best of my knowledge we never lived any other place. In 1853 or 1854 he went to Harrison Co., Tex. My father never lived with the Indians very much after he was a boy. He never lived with them as a member of the tribe. My father's father, John Bunch, claimed the Indian. I guess my grandfather lived with the Indians as a member of the tribe. He died when my father was small, long before the war; before I was born. My father nor his father were never on any rolls that I know of. I never was on any roll. Neither my father nor his father nor I never received anything from the government. My father was considered as a white man. He was 1/4 Cherokee. I did not make application to the Dawes Commission.

James J. Luttrell being first duly sworn, deposes and says:

That I am 57 years of age. I claim my Indian descent through both parents. My father ~~xxxxxxx~~ was 1/8 Cherokee. She was born and raised in N. C., don't know what county. My mother was born in Washington Co., N. C. My father died four years ago and was 74 years of age. My mother is living at Pryor Creek, Okla. My Mother is about 74 years of age. We came West in 1873 and have been here ever since. My father's mother's people came here in 1836. They came with the Indians here. My father's father was a white man. My father's mother was 1/4 Cherokee. I don't think my parents have ever been on any roll. Don't know about my grandparents either. My father's mother belonged to the Old Settlers that came to this country but she did not come with them. I don't know whether my father's mother was on the Old Settler roll. She died in Washington Co., N. C. and was 104 years old. That was 37 or 28 years ~~xxxxxx~~ ago. I haven't heard from my mother in three years and don't know whether she made application or not. I went to the Dawes Commission to make application about eight years ago and there was a big crowd around them and they did not want to be bothered with me because I am so deaf and so hard to understand. My father drew one payment at Tahlequah of \$14.00 about 11 years ago. Don't know what that payment was from. Don't know whether he received any money before that time. My father went from Ardmore, Okla. to Pryor Creek, Okla. 14 years ago to get his rights. He lived in Wagoner about one year and then came back down on Red River and then we all went with him to Pryor Creek. Sarah (married Joe Carpenter) and another was Pearl (married a man named Booth); *father's sisters* there was another but I don't know her name. Jordan and Richard were brothers of my father and they died before the war. James was another brother of my father and he died about 20 years ago. My wife is a white woman. My grandmother has talked about the name of Hornbuckle and that was another of our names. My father never went by that name. It was my grandmother who told me that some of our people went by the name of Hornbuckle - that was the Indian name. I don't know whether she ever went by that name herself. My grandmother told me that she was on the roll of 1835. She was married and went by the name of Luttrell at that time. She lived with the Indians in N. C., but I couldn't tell you where. They all in the Cherokee Nation knew that my father was an Indian. He was dark. Don't know why our names were not on the roll of 1835 and 1851. Don't know when my grandfather left N. C. but my father was a little boy. He was born in N. C. Don't know whether he lived with the Indians as a member of the tribe after he was born there in N. C.

June 1, 1908.

Wm. O. Myers,
Van Alstyne, Texas.

Sir:-

Relative to your application for participation in the Western Cherokee Fund, kindly state why your name does not appear on the Cherokee roll of 1851, and why those of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1841, do not appear on the Cherokee rolls of these dates.

Do you claim any Indian descent through your mother?

Where were your parents and grandparents living in 1835? (Give county and state).

Were you or either of your parents ever held as a slave? If so, state whether you or they were owned by white people or Indians. Did you or any of your ancestors ever receive any Old Settler payment? If so, state when and where. Were you ever enrolled by the Land Commission? If so, give the number of your enrollment and indicate on what roll your name appears.

Give the names of those ancestors who ever lived with any Indian tribe, give the name of the tribe, and state the location each lived with the tribe, naming the county and state where they then lived, and what part, if any they took in the tribal councils.

Wm. O. Myers being first duly sworn, deposes and says:

That I am 80 years of age. I claim my Indian descent through my father; my mother was a white woman. My wife is a white woman. My father was born in 1812 in Kentucky. He died in Kentucky. My father was never on any roll that I know of and he never lived with the Indians. He claimed to be 1/4 Cherokee Indian. I made application for land in the Cherokee Nation, but the attorneys I employed in the case said that ~~they~~ the Dawes Commission knocked me out of getting the land. I did not make application to the Dawes Commission. I have a brother named David C. Myers living at Shawnee, Okla. R #4, but don't know whether he has made application or not. Don't know that anybody around here knows of my Indian blood, but back in Kentucky they throw up to us that we have Indian blood.

App. No. 35989

June 1, 1908.

Samuel H. Fry,
Peters Creek, Va.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state by the names of your ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, to not appear on the Cherokee rolls of those dates.

Do you claim any Indian descent whatever through your father? Was your mother or any of your ancestors ever held as a slave? If so, were they owned by white people or Indians?

Where were your grandparents and great grandparents living in 1835 and 1851? (Name the county and state).

Give the names of those ancestors who ever lived with any Indian tribe, and the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived and what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

FUR/ LSC

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. JUN 10 1908
No.

Peters Creek, Va.

June 4. 1928.

Mr. Zion Miller, Special Commissioner,
Dear Sir, -

Yours of June 1. recd. relative to my application
to participate in the "Eastern Cherokee funds."

As to why my Ancesters were not enrolled in 1835
and 1851. I cannot tell. They were never fully
associated with the Cherokee's, according to my best
information, neither were they slaves. Being mostly
of English, or white blood. and all Free born.

No other mixed decent, ever existed among them
that we have any account of. But my Grandmother
whose name was Shelton, was said to be very much
mixed with this Indian blood. My Grandfather
Fry, was also to some extent mixed with this blood.

But since many years ago. They all lived in
Dixie's County N.C. the Fry family now shows this
trace of blood. My Great Grand Parents I suppose
lived most all dead before 1835. and if my
Grand Parents, on either side ever knew of any such
enrollment, having been made before this I have
never heard of it. None of them ever lived with this
tribe. They lived under White Government.

My Grand father Fry, was named Benjamin Fry,
of Stokes County, N.C. My Great Grand Father Shelton
was named Osburn Shelton & lived in the same
County. No enrollment of this kind has ever been
published in this County, that we have ever
heard of. And I suppose this was the reason that
no previous enrollment was made of him.

Yours truly,
Samuel H. Fry

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the name of your father or of your other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Do you claim any Indian descent whatever through your father? Was your mother or any of your ancestors ever sold into slavery? If so, state whether they were owned by white people or Indians.

Where were your grandparents or great grandparents living in 1835 and 1851? (Give the county and state).

Give the names of those ancestors who were living in 1835 and 1851, also the name of the tribe, and state the date when each lived with such tribe, naming the county and state where they then lived, and what part, if any, they took in the tribal councils.

Reply promptly referring to application #35993 with #35985.

Dear Sir

Replying
to your queries as to my mother's
name and other ancestors not appear-
ing upon the Cherokee rolls of 1835-
1854 I am unable to state the reason
I claim Cherokee descent through
my mother who was never a slave
or claimed to have African blood
in her veins but was always told
me and by men of veracity that
my grandfather was a full blood
Cherokee Indian. as to the Coun-
cils he participated in I cannot
recall neither do I know what
county or state in which he resided

One Hale Spence was my
grandfather and is said to
resided with the Cherokee tribe
somewhere on the blue ridge moun-
tains of NC. I can easily
substantiate by all living old
people of my and adjoining Coun-
ties that I am a descendent of the
Cherokee tribe of indians but as
to trace the descent minutely I am
unable to do. If there is no chance
without ~~without~~ a successful tracing
of my ancestors to obtain a share of
this fund I am outside for the witnesses
by whom this could be accomplished
are passed away. Please advise
me if there is other proceedings ne-
cessary. Respectfully

Dear Sir

Please note the following information
in my claim as a descendant of the
Cherokee tribe of Indians. My Grand
father was Louis Spence and resided
in Carroll County Ia all his life. My
great Grandfather was Hale Spence
and also resided in Carroll County
at or between the dates of 1835- & 1851
Hale Spences father was a full
blood Cherokee indian as says
tradition and other evidence and
lived somewhere South of the Blue

Ridge Mountains. I can produce
a plenty of witnesses who will
testify that I am descended from
the Cherokee tribe of Indians, but
as to proving this by written record
I do not know that I can as the
records of the day and date ^{you mention} is quite
meagre here in the mountains of Va.
Please let me know just what evidence
is necessary to establish or what
steps I should take to verify the fact
that I am descended from this tribe
and therefore entitled to a share in the
Eastern Cherokee Fund. I enclose you
my photo ^{which} will I am told convince
any one of my ancestry.

Please give me further information
or instructions upon this
matter

Respectfully

App.No. 35894

I do not know why the name of my mother my other ancestors through whom I claim Cherokee descent and who were living in 1835 and 1851 do not appear on the Cherokee rolls of those dates.

I do not claim any Indian descent whatever through my father. Neither I, my mother or any of my ancestors were ever held as a slave. My people came to this country when my mother was a baby and lived among the Cherokees. they lived in Marshall County Ala. My mother who was Sarah or Sallie Weeks came to this county with her father William Weeks under who she claims Indian descent about 87 years ago, I do not know whether they took any part in the tribal councils or not.

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. AUG 8 1908
No. 35-994

Peters Creek, Va.

July 1. 1908

Mr. Gideon Miller

Dear Sir -,

yours of June 1st recd. Some time ago. But not being able to write for my self. I have delayed to answer until now. Relative to my application for participation in the Eastern Cherokee Fund.

as you requested.

First I will say. That I have no knowledge of why my ancestor through whom I claim Cherokee decent was not enrolled in 1835.

and 1851 which was my father, he lived in the Blue Ridge mountain and was a great hunter. But had as I am informed no learning, could not read or write, and as I suppose never heard or knew of any such enrollment.

At a very old age he was re-married and died when I was but a child.

And it is said by those who knew him, that he was mixed with this "Isrood" (or decent) I do not claim any of this decent through

3

my mother. None of my
ancestors were ever slaves.

But I am sometimes now
called "Indian". Having
some what a resemblance.

My ancestors all lived so
far back as I can ascertain
in Patrick County, Virginia.
They never lived exactly
along with the tribes, or
took any part in their
tribal Council, living
mainly in the community
of a white settlement.

Yours truly,
Floyd ^{his} x Pack.

App. No. 56015

Wm. Drake,
Pamlico, Ark.

Sir:-

Relative to your application for certificate as to the Western Cherokee Fund, kindly state by the names of your grandfather and other ancestors who were living in 1835 and 1837, do not mention the Cherokee rolls of those dates.

Did any of your ancestors ever receive any old settler money? If so, state when and where. Were you or any of your ancestors ever held as a slave? If so, state by when you or they were owned.

Have you been enrolled by the Census Commission? If so, give the number of your enrollment and indicate in what roll your name appears.

Where were your grandparents living in 1835?

Give the names of those ancestors who ever lived with any Indian tribe, give the name of the tribe, in what county and state they each lived with such tribe, naming the county and state where they then lived, and what part, if any, they took in the tribal council.

Very respectfully,

FER/LJC

Special Commissioner.

Fanny Steward being first duly sworn in behalf of Anna Drake, deposes and says:

That I am 54 years of age. Anna Drake is my daughter. I have been married twice. James B. Steward was my first husband and he was the father of Anna Drake and Frank Steward. James B. Steward was born and raised in West Tenn. He came west in 1870 and died here. He always said he was of Cherokee descent but I don't know whether he was or not. He had black straight hair and high cheek bones. Don't know which of his parents claimed Indian. His mother's name was Melissa Cook and she married Lemuel Steward. His mother was born in N. C. and partly raised in Tenn. Don't know what part of N. C. she was born in. My husband nor his mother never lived with the Indians that I know of. He never was on any roll and never received anything from the government. He was recognized as a white man in the community. I am recognized as a white woman. I was born and raised in Carroll Co., Ark. I claim Indian descent through my mother; my father was a full blooded white man. My mother claimed to be 1/4 Cherokee. I nor my mother never lived with the Indians as members of the tribe and were never on any Indian roll. We never received anything from the government by reason of our Indian blood. My mother's name was Jane Post and she married W. A. Thomas. She is living yet. Her name is now Jane White. She has not filed application nor have I because I was away at the time of filing. My mother is living in Texas. I don't know whether my grandparents ever lived with the Indians or not. All of my children have married white people.

Application no. 36015.

Aug. 10~~th~~ 1908

Mrs. Guion Miller, Kind Sir
in connection with our statement
made to Mr. Frank D. Ryan
at Carey on Thursday Aug. 13,
I want to say that our mother
Fannie A. Steward made a
little mistake in her stat-
ment. She stated that her
mother, which is our grand-
mother was one fourth Cherokee
Indian. Her grandmother, our great
grandmother, is sure three fourths
Cherokee Indian. Which of course
would make our grandmother
more than one fourth. Our
mother said she did not know
why she made such a mistake

(2)

Kind sis if you doubt my word
as want further proof I will try to
find my grandmother she is
somewhere in Tex. my mother
said tell ^{you} she made the mistake
unthoughtful and it was her
that was one fourth instead
of her mother. mother would
have wrote you her self but
she is not a very good scribe
and writing is such a task
for her. Bro. Frank. Stewart said
he would go and find grandmother
if necessary for we all know
that we have got a claim
in the Cherokee family and we
dont want nothing but ours

(3)

thus we are perfectly honest
in this, and we feel like
we are going to be treated
honest in return
with kind wishes will close

My name is Susan E. Vignal, and I live at Hammon, Okla. I am 44 years old. I know Charles W. Terry who has just testified here. He is my brother. I have heard his testimony and it is substantially correct to the best of my knowledge and belief. I remember my mother very well and I have heard her many a time speak of her Indian blood. She always claimed to be of Cherokee descent. I can't ~~xxx~~ say that I've heard my mother ever say that she was descended from Pocahontas. But I have heard my grandmother make this claim often. But she was not depending on the blood through Pocahontas, but on the old squaw the mother of Wm Havenhill, who my great great grandfather. All my relatives, my mother's people are still living back in Ky. I have uncles besides James Cash, Wm Cash, Ben Cash, Ed Cash, Sampson, Cash, and also two aunts, Mary Dougherty and Margaret Perrill. The last we heard of them they were all in the neighborhood of Summit, Ky.

Name: Victory Scott and 6 children. Residence: San Regual, Chh.

Reasons: The applicant and her children were not
included in the Bureau Commission. There is no
testimony to the effect that she ever was a re-
cognized member of the Cherokee Nation. She
was born in Texas. Her mother and the
parents of her mother were not enrolled in
1835 and 5' in such a way as to be eligible.
There is a name identical with the maiden name
of mother, Rachel Robinson, in the 1835 list
of enrolled members. It is presumed that name to
be that of mother. The father & applicant mother
cannot in 1835 and was not enrolled. (See memo

Victory Scott being first duly sworn, deposes and says: My name is Victory Scott. I live at Victory, Okla. I am not enrolled by the Dawes Commission. I never made application for land. I claim through my mother, who was born in Cherokee Nation. I could not say whether she drew any money in 1851 or not. Her maiden name was Rachel Robbins. I don't know whether my grandparents drew money or not. My grandfather was born in C. He moved from Ia. in 1834 or 1835. He came out here with the Indians. If my mother ever had any brothers and sisters, I did not know it. She had no half brothers. My grandfather has been dead about 20 years. His name was Levi Robbins. His wife was an Indian also. Levi and Peggy Robbins had land out there. My mother's half brothers got land out here. I put in a claim for stric money, but I was beat out of it. My half brother's names were Fuffy Robbins, Sallie Robbins and a Margaret Langley. They were not born in 1850. Margaret Langley was living in 1850. My mother was the only one of the Robbins that was living in 1850. I don't know whether or not my grandmother was living in 1850. Wilkerson Hubbard was my great uncle. My mother was living in U. S. District in 1850, I think.
See Rachel Robbins Disputed 71. (?)

My grandmother's maiden name was Peggy Hubbard, she was a sister to Wilkerson Hubbard. See Group 1986.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Was either of your parents or any of your ancestors ever held as a slave? If so, state whether they were owned by white people or Indians.

Give the names of those ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the year when each lived with the tribe, naming the county and State where they then lived, and the name of the tribe, and the name of the council.

Very respectfully,

Special Commissioner.

I am 32 years of age; was born in Mississippi. I am Cherokee Indian blood through my mother. She was born in Mississippi. She never received any Indian money from the government and I have never received any. This is the first time I have ever asked for any Indian money. I never went before the Dawes Commission. I never saw my grandparents on my mother's side. They lived in Mississippi. I think they were born in Tennessee. I do not know what part of Tennessee my grandparents came from. My mother never lived with the Indians. I have heard of my Indian blood all my life. My mother told me that my great-grandfather was a full blood. She said her father looked almost like a full blood. She said her father ~~was~~ started to come to the Territory with the Indians but her mother would not come.
